# FREE CAT & DOG MICROCHIP CLINIC

**AT THE CAMANO ANIMAL SHELTER 198 CAN KU RD, CAMANO ISLAND**

Avoid being that pet owner who ends up with a missing pet and wishes they had been more proactive in getting that pet microchipped. **Do not wait until it is too late!** Unlike collars and tags, microchips can't be removed and add a lifetime of additional security - even in the event of a natural disaster. Initial microchip registration is free.

**DOGS MUST BE ON LEASH WITH A COLLAR. CATS MUST ARRIVE IN A CARRIER. MUST BE 2 LBS AND 2 MONTHS OF AGE - AND BE ABLE TO BE HANDLED.**
